D - Asus - G - Asus

Make us strong. Bring Your church to the brink
Power from living water we drink
Age to age for the vict'ry we pray
Love has led us from dark into day

D - Asus - G - Asus

Make us strong, firm foundation of stone
We will follow to places unknown
Gathered here at the feet of the King
Hear our voices, together we sing

Em G D Asus

Hallelujah! Holy! Holy!
Hallelujah! Holy! Holy!

D - Asus - Em - G

*Pour out Your power and pour out Your grace
Let us swim in the presence of Christ in this place
Lift up our heads, now, and lift up our hearts
Bind us together and use all our parts*

Em G D Asus

*Make us strong in You, Lord - Make us strong
Make us strong in You, Lord - Make us strong*

D - Asus - G - Asus

Make us strong as we speak of our faith
Make us sure of our words when we pray
Never doubting the truth that we know
Bearing fruit from the seeds that we sow

Make us strong, Holy Spirit of Fire
To honour You now is our only desire
Giving praises to Jesus, the King
Hear our voices, together we sing

Em G D Asus

Hallelujah! Holy! Holy!
Hallelujah! Holy! Holy!

D - Asus - Em - G

*Pour out Your power and pour out Your grace
Let us swim in the presence of Christ in this place
Lift up our heads, now, and lift up our hearts
Bind us together and use all our parts*

Em G D Asus

*Make us strong in You, Lord - Make us strong
Make us strong in You, Lord - Make us strong*
